

## Feedback from recent Access Programmes at the Wallace Collection

"Thank you and to all your team for such splendid hospitality on Saturday. It was a particular delight to me that the families and the sound were so well received around the galleries by the general public. These kinds of projects are "on the map"...What a privilege to be in the Wallace Collection."

"As I have mentioned before, the Wallace is well-known amongst the hard-of-hearing and deaf community for being easily-accessible - that's a compliment to your policy of providing facilities to all.

Well done to you all! It is deeply appreciated that you care to offer these opportunities. We will be back!"

"I just wanted to say thank you - I really appreciate these events in BSL and led by a BSL speaker, it's really brilliant."

"Thank you for taking up and delivering such a fantastic programme of Life drawing for those of us with sight impairments. It is so unusual to experience a museum or gallery take up a suggestion with such enthusiasm and more importantly, actually make it happen so quickly."
